

2026–2027 Sponsorship Program

The Wayzata Symphony Orchestra has brought free, world-class live music to the Twin Cities community since 2009. Every concert is open to everyone, no ticket required.

We have two ways to be part of it: music lovers can sponsor their favorite musician's chair for the season, or businesses and organizations can put their name in front of our audiences all season long.

Every sponsorship, at every level, keeps the music alive.

1 Community Sponsor <i>\$1,000 – \$5,000</i>	2 Sponsor a Musician <i>\$250 / seat</i>
Season, Platinum, or Gold	Sponsor a musician's chair for a season

Overview

1 Community Sponsors

Support the WSO all season with your name or business in front of our audiences at every concert. Three levels available, each with its own recognition and benefits.

2 Sponsor a Musician

Every musician on stage represents years of training, practice, and dedication to their artistry.

Sponsoring a musician's seat is a direct way to say their music matters to you and to this community. Your name is tied to a specific chair for the season, a personal connection between you and the artist bringing that part to life.

Sponsor a Musician	\$250 / chair	Your name is listed as sponsor of a specific musician's chair in the concert program for the season. Recognition on the website.
